

2017 Camper Profile & Interest Form

Dear Parents,

We are happy to present to you our 2017 Camper Profile and Interest form. Please take a few minutes to complete the requested information. Even if your child is returning to Camp Lakota we ask that you complete this information as interests and issues are always changing. This information will assist us in the bunk placement of our campers and staff as well as provide us with the tools needed to develop a safe and enriching experience for every camper at Camp Lakota.

This information will remain CONFIDENTIAL and will only be shared with your child's Head Counselor, Group Leaders, Counselors and Infirmary staff. If you have any questions, please call us at 845-888-5611

Please upload this form into your Camp Brain Account.

Most Sincerely,
Michael Childs Director
Lenny Durante Assistant Director

(Please feel free to use and attach additional sheets of paper if you would like to expand on any answer.)

ALL CAMPERS

Do you have any particular goals for your child this summer at camp (i.e. social, athletic, artistic)?

We appreciate your help in getting to know your child better. Please take a moment to share some aspects of your child's personality with us. How does your child interact with other children? How does your child respond to adult authority? What signs should we look for when he/she is upset? Does your child have any fears or other issues we should know about (heights, animals, lightning, thunder, water or anything else?) (please use additional paper if needed)

Please describe any outstanding characteristics which may affect your child's camp experience.

Physical/Personality: _____

Have there been any recent developments at school/home or any special family circumstances that you think we should be made aware of? (plans to move, loss of a family member, divorce in the family...)

If yes, please explain: _____

The Directors of Camp Lakota need to be made aware of children who are, or have been, treated for emotional, neurological, physical, or psychiatric disorders. The Directors also need to be made aware of children on psychotropic medications during the past school year and children hospitalized for psychiatric illness. Please share this information below.

Does your child currently take any prescription behavioral medication?
