

Phone Call home for 2017:

Below is a list of groups with their dedicated call days and times for the summer. We do phone calls in weeks 2, 3, 5 and 6. During the designated time, each group with their counselors will come to the office, collect the phones and start making phone calls. We have a dedicated area behind the office where the kids will make the calls. After about 8-10 minutes the group leaders will collect the phones and give them to the next set of kids to call. We will continue until we are finished.

So, for example if you are a Brave Boy parent, on Mondays between 630pm and 715pm your child will call. The call may come at 630pm or it might come at 700pm, please be patient as we have plenty of phones to get everyone done in the allotted time.

Siblings, if you would like your kids to call together, please make arrangements with the front office and we will schedule the call during one of our rest hour periods. Parents that are divorced or separated and need separate phone calls, please call the office to arrange as well.

Lastly, if the time below doesn't work, please let us know and we can make other arrangements.

Remember the kids will be calling your cell phones.

Brave Boys (going into 3rd and 4th): Monday 630pm-715pm

Brave Girls (going into 3rd and 4th): Sunday: 630pm-715pm
