Camp Lakota can arrange tutoring in a variety of areas. Tutoring may take place during rest hour (after lunch), free play (after dinner), or at other specially scheduled times if so needed.

Additionally, we ask you to please be sure to send up all necessary materials that your child will need, this may include math books, reading books, SAT prep books, or Bar and Bat Mitzvah text and recordings. At Camp Lakota, we have a large group of professional teachers, administrators and college students who will be part of our tutoring program.

Below, please describe in detail the area in which you would like to have your child tutored, and please give us background as to your child's level of proficiency and the specific focus that you are looking for with our tutoring. Below are the rates for our different tutoring choices.
